DAMAGE OR LOSS DURING SHIPMENT

All goods are shipped from our factory in first-class condition. Complete final inspection insures this. If you find one or more articles missing or damaged, you do so at your own risk. Once the transportation company signs the bill of lading, the goods become your property. Be sure to require the delivering agent to note all shortages or damages on all copies of the freight bill before you sign acceptance. In case of concealed damage or shortage, notify the delivering agent immediately.
